Python Async Patterns

Created: Jun 10, 2026 at 10:33 | Tags: async, python, patterns, asyncio, concurrent

Python Async Patterns

Learning about asyncio and concurrent programming in Python.

Key Concepts

- `async`/`await` syntax for coroutines
- Event loops manage concurrent tasks
- `asyncio.gather()` runs multiple coroutines

Use Cases

- Web scraping with aiohttp
- Database connection pooling
- ...

Q1 Budget Review

Created: Jun 10, 2026 at 10:33 | Categories: Finance | Tags: budget, review, 000, revenue, savings

Q1 Budget Review

Revenue

- Product sales: \$45,000
- Consulting: \$12,000
- Total revenue: \$57,000

Expenses

- Office rent: \$3,600
- Software subscriptions: \$890
- Marketing: \$2,400

Savings Goal

Targeting 20% savings rate this quarter. Current portfolio allocation:

- 60% index funds
- 25%...

Machine Learning Study Notes

Created: Jun 10, 2026 at 10:33 | Categories: Education | Tags: learning, machine, study, notes, regression

Machine Learning Study Notes

Course: Introduction to ML

Lecture 3: Supervised Learning

- Classification vs regression
- Training/validation/test splits
- Overfitting and regularization

Key Algorithms

1. Linear regression
2. Logistic regression
3. Decision trees
4. Random forests

Sprint Planning - Project Atlas

Created: Jun 10, 2026 at 10:33 | Categories: Work | Tags: sprint, planning, project, atlas, user

Sprint Planning - Project Atlas

Team Meeting Notes

Date: This week

Sprint Goals

- Complete user authentication module
- Deploy staging environment
- Fix critical bugs from last release

Tasks

- [] API endpoint for user registration
- [] JWT token implementation
- [] Database migrat...

Weekend Hiking Trip

Created: Jun 10, 2026 at 10:33 | Tags: planning, hiking, weekend, trip, trail

Weekend Hiking Trip

Planning a personal hiking adventure this Saturday.

Trail: Eagle Peak Loop

- Distance: 8 miles
- Elevation gain: 2,100 ft
- Difficulty: Moderate

Packing List

- Water (2L minimum)
- Trail snacks and lunch
- First aid kit
- Camera for photos

Looking forward to some time...

React Component Architecture

Created: Jun 10, 2026 at 10:33 | Categories: Programming | Tags: notes, project, react, component, architecture

React Component Architecture

Project Structure

Building a scalable frontend with React and TypeScript.

Patterns

- Container/presenter separation
- Custom hooks for shared logic
- Context API for global state

Code Example

```
```\javascript
function useNotes() {
 const [notes, setNotes] =...
```

## Investment Portfolio Rebalance

Created: Jun 10, 2026 at 10:33 | Categories: Finance | Tags: portfolio, investment, rebalance, current, financial

### # Investment Portfolio Rebalance

#### ## Current Allocation

Reviewing my financial portfolio for the new year.

Asset	Current	Target
Stocks	55%	60%
Bonds	30%	25%
Cash	15%	15%

#### ## Actions

- Buy \$2,000 in VTI index fund
- Sell \$1,500 in bond ETF...

## Database Indexing Strategies

Created: Jun 10, 2026 at 10:33 | Tags: database, indexing, strategies, columns, index

### # Database Indexing Strategies

#### ## SQL Performance Optimization

##### #### When to Index

- Columns in WHERE clauses
- Foreign key columns
- Columns used in JOINS
- ORDER BY columns

##### #### Index Types

- B-tree (default in SQLite, PostgreSQL)
- Hash indexes for equality lookups
- Full-text search indexes (FTS...
